【1번】대화를 듣고, 여자가 구입하기로 결정한 것을 고르시오.

M: Hello. How may I help you?
W: I'm looking for an alarm clock.
M: Yes. We have a range of styles. What about this triangle clock?
W: Hmm, it's too simple.
M: Then, what about these heart- or star-shaped ones? They're good decoration.
W: Yeah. A star-shaped one would look good in my room.
M: Okay. You can also get it with one bell or two bells on top of the clock.

Which do you prefer?
W: I think the clock with two bells looks stylish and fancy.
M: Good choice. The design with two bells looks better.
W: Great! I'll take it. Thanks.
【2번】대화를 듣고, 남자가 제작하기로 결정한 것을 고르시오.

W: What are you doing, David?
M: Oh, Alyssa. I'm making a campaign sign for Earth Day as we did last year, but I can't decide which one is better, a round one or a square one.
W: Hmm, I think a square one is easier to read.
M: That's a good point. I'll go for a square one.
W: So, what's the slogan for the campaign this year?
M: It's “Reduce Paper Use.” We need to help save the forests.
W: Then, why don't you put some trees in the sign?
M: That's a great idea. It'll go well with the slogan.
W: Absolutely. When is the campaign?
M: Every Wednesday from next week.
W: I see. I'll be there.

【3번】다음을 듣고, 여자가 하는 말의 주제로 가장 적절한 것을 고르시오.

W: Hello, listeners. Nowadays, we have high levels of fine dust. It causes many health problems. Today I'll give you some helpful tips on how to protect yourself from its harmful effects. First, when levels of fine dust are high, avoid outdoor activities. If you have to go out, don't forget to wear a mask that offers protection from fine dust. Second, make sure you take a shower and brush your teeth right after returning home. It'll help remove any remaining fine dust from your body. Third, eat more fruit and vegetables. Chemicals from fine dust cause infection, but vitamins fight against it. I hope these tips are helpful for you.

W: Harry, have you finished the homework from the biology class?
M: Hi, Amy. Not yet, how about you?
W: I'm still working on it. Summarizing the chapter takes so much time.
M: Oh, no. I haven't even started reading it yet.
W: You'd better start soon. It's due tomorrow.
M: Yeah, I know. I'm really feeling stressed about it.
W: Well, why haven't you started yet?
M: I'm still doing the math homework that's due today.
W: Yeah, it seems you have lots of things to do.
M: I'm afraid I won't be able to finish the biology homework on time.

M: Sounds interesting. How do you do that?
W: I record my voice reading a book so that they can listen to it.
